WEDDING CEREMONIES & CIVIL PARTNERSHIPS

All of our Suites are licensed to hold a ceremony and some even boast panoramic views of the pitch! From the historic Hall of Fame to the modern features of the Stapleton Derby Premier Lounge and even the art décor Eric Ashton Boardroom with its Trophy Cabinet, we can be sure to complement any theme.

Once you have chosen your date, your next step is to contact the local registrar to give notice and check availability. Giving notice means declaring that you and your partner are both free to marry.

You may do this up to one year in advance of the date of your wedding. If you are marrying in a district different to the one in which you live you will need to take the certificate to that district before the day of your wedding.
